

### A Message from the President

Can you believe we are now in the month of August 2013? On the 21<sup>st</sup> of this month we will host our 43<sup>rd</sup> annual Executive's Night at Crestview Country Club. This year's theme is "Travel EWI Wichita". The starting time for the evening **5:30**

p.m. to give everyone time to visit each of the Firms booths. Everyone will be issued a pass port and a "Go Wichita" bag as they pick up their name badges. As we travel from booth to booth we will learn all about our member Firms, gathering information and perhaps getting great little giveaways. To help to make sure you visit each booth, I am asking each Firm to have a stamp or a sticker to place in the pass ports. The sticker can be as simple as you want, such as an address label with your Firm's Logo. I am hoping each member Firm is planning to showcase their Firm. I was recently asked what I meant when I said to showcase your firm. My idea is if you have a new client or someone applying for a job what would you want them to know about your Firm. You have a chance to show off your Firm your way. The idea was to have unmanned booths so that the Executive and Representative can visit all of the other booths. If you're Firm wants someone to man the booth that is your choice. Each Firm will have half of an 8 foot table. The Firms will be in alphabetical order. Crestview will have the room set up so starting at 8:00 am Wednesday August 21, 2013 you can set up your booth. If you need something special such as electric for your booth then, please let our Program Chair, Jessica Emrick, Representative for Marriott Hotel know. Keep track of your pass port as the Agenda for the evening will be in the pass port. Here is a little secret, you can have your picture taken with Wu Shock!

## President Message, continued

*Prepping for Roll Call at Executive's Night*

Now that was just the first hour. Our ASIST scholarship winner will be introduced. There will be a few speakers. We will toast the 75<sup>th</sup> anniversary of EWI. Roll call will be the biggest part of the evening's program. I am going to ask the Executives to represent their Firms for the roll call. I will be asking each Executive to stand, state their Firm name, their name and then the rest of their group. If your Executive is unable to attend or the Representative is also the Executive then the Representative will be asked to participate. Life members will also be asked to join in the roll call and can introduce their guest. I hope everyone is as excited as I am for Executive's night this year.
