

WICHITA EDITION

October 2012

A Message from the President

I would like to start off by saying "Thank You", again for your faith in me to once more lead the Wichita Chapter of EWI. When I was asked what my theme for this year would be, it took me a little while to visualize what I would like to see us work on this year. My theme is simple, "back to the basics one step at a time." I have identified five areas (steps) for us to accomplish this year.

Area One: Build on what Helen Nicoli started by embracing our technology.

- ❖ For our website, this year's committee is going to work on improving the RSVP system. Currently when you enter who is attending on the Attendee line that information is not being forwarded to the Sergeant-at-Arms. She receives the information from the details section.
- ❖ The website committee will also be researching PayPal to see if it will work for our meeting fees, which are paid by credit card.
- ❖ In addition, Corporate is changing the website base to Member Point base starting November 1, 2012. Member point is management software with enterprise-class member management tools and a powerful self-service member community platform.

Area two: Keep our current Firms and Representatives actively involved in our EWI Chapter.

I would like to have a waiting list of current EWI Representatives who are willing to be Mentors to our new Representatives.

A Message from the President, continued

- Eventually we could have at least two Mentors for each new Representative with one being a Past President and or Life Member.
- ❖ I am sure that we have some current Representatives who would like to be a Mentor but who have not been asked. If you would like to be on the Mentor list **contact me or De Nelson**, Retention/Orientation Chair.

The more you are involved in EWI the stronger your bond will be with EWI. Our Chapter is only as strong as its members, so let's all be actively involved in our Chapter.

Area three: Invite and encourage all new Representatives to attend at least one board meeting during their first year so they can see our board in action.

- ❖ Our board meetings are open to any current Representative who wishes to attend.
- ❖ I would encourage any current Representative who has never attended a board meeting to come and visit so you, too, can see how the board works.

The monthly Board meeting this year will be held at my office (Juhnke, Campbell and Associates) on the Monday following the monthly Chapter meeting.

Area four: Work on growing our Chapter.

The last few years the main focus has been on growing in general, which is not a bad thing. Now I would like to see us grow, but keep the desired diversity mix in mind as we decide which firms we invite to join our Chapter.

- ❖ The Corporate's new "Standards of Excellence" states that the chapter must have a mix of 25% each of small, medium and large firms.
- Our current strategic plan states "Analyze chapter mix to reflect local business and community mix."

If you or your Executive have any suggestions on a firm we should try and recruit, **please get in touch with Dawn Truman**, Membership Chair.

Area five: Try new ideas. Some of the ideas may not work but, please try to keep an open mind.

- Our October meeting usually consists of having dinner and then two fifteen minute committee meetings afterwards, which is not a lot of time for these meetings.
 - > So this year we are going to have the first meeting during dinner and then the second meeting after dinner.
 - > Please see the list of the committees in this issue of Connect.
- ❖ Another innovation is the creation of the Purely Social Committee.
 - ➤ This committee is just what the name implies, another way for Representatives to get to know each other outside the regular monthly meetings. This can be anything from going out for drinks or an event including your children.
 - ➤ Risa Carter has agreed to be the first Purely Social Committee Chair.

I am looking forward to an excellent year with a great Board of Directors and Committee Chairs. Come join us as we work on back to the Basics one step at a time. Thanks again for all your faith and support.

Reading Rally

Plan to join Martha Linsner at Colvin Elementary

Plan to join Martha and your fellow EWI sisters to volunteer your time for the Reading Rally at Colvin Elementary.

WHEN: Wednesday October 24, 2012

1:30 p.m. - 4:30 p.m.

WHERE: Colvin Elementary, multipurpose room

2820 S Roosevelt

WHO: 3rd Grade Class (approximately 130 students)

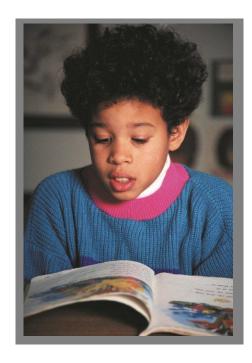

This year our community partner is WSU college students. Pizza, cookies and an orange snack will be served to the students. This year we are fortunate to offer each student a give-away bag filled with a paperback book titled "Read All About It" by Laura Bush and Jenna Bush, markers, pencil, 24-ct crayons, glue, watercolor set, and tissues. Contact mlinsner@TCKansas.com to volunteer (setup, teardown, serve snacks, and coordinate group photos).

When asked about **Catholic Charities**, Mary said in simple terms, we "stabilize families in crisis." The organization pursues their mission with services such as the Daily Bread Food Pantry, Harbor House and St. Anthony Family Shelter, just to name a few.

About her career, Mary enjoys being part of an organization and group of people whose goal and mission, is to help people and to make a positive difference in people's lives. Interestingly, Mary says she is an animal artist so when she was asked to care for a stray dog at work (until the owner came by to pick it up) there was no hesitation for Mary.

Mary, what do you hope to gain from your affiliation with EWI... "Networking with a wonderful group of professional women."

EWI Corporate

A great tool offered by EWI is their professional development section on their website. **Charlene Dreiling** has offered her testimonial on the value she's received from watching their seminars.

Lasting friendships are built in EWI

the Wichita Chapter holds New Member hospitality

On August 23, **Joan Wamsley** coordinated a welcome party for new members. The event took place at **Gaile Garner**'s home where yummy food, beverages, and great hospitality were on the menu.

After dinner the group gathered for a get-to-know-you-game and a brief overview by President **Helen Nicoli** outlining the mechanics of our Wichita Chapter. She spoke of the development process and committee functions.

Charlene Dreiling told the gathering of the networking value EWI offers its members. She pointed out the advantage of knowing the "go-to" person in any specific organization is often tapped at the EWI membership level.

Gaile Garner closed the gathering with a personal note and emphasized the warm and lasting friendships her membership with EWI has given her. Thanks, Gaile, for a wonderful evening and your trademark hospitality!
