

A Message from the President

"The best way to predict the future is to create it."

- Peter Drucker

When the 2013/2014 EWI Wichita board met in early August, 2013, the spirit of Mr. Drucker was permeating the room. As the strategy for the year was developed it was understood that our board service would be an investment in the future of EWI Wichita. Our focus was to further the efforts of the past and make the organization a premier, professional business organization in Wichita.

After six months on the job, there is much for EWI Wichita to be proud of. The base and structure is in place for many of the new ideas to unfold. Like the tulip bulb planted in the fall that develops and struggles under the surface of the soil throughout the winter then breaks through to full bloom magically this time of year, so will EWI Wichita –with some help and support.

Many directors and committees are working together on the upcoming events. It is gratifying to witness the camaraderie, and true friendships blossoming within the organization, as the plans are executed. Witness it for yourself at some of the great events coming up: April, Accessories fundraiser....May, MK Mueller...June, Women in Investing...and July, Executive Night. There are also many opportunities to come together for professional development and community outreach, and both scholarship events are in full swing.

Having mentioned Executive Night, I wanted to elaborate and update important information. While the trade show event was very well received, some feedback was given that indicated that there was not sufficient time to see and study the number of booths present during the cocktail hour of the Executive Gala. With the addition of scholarships at our July event, the decision was made to break the evening up, offering a separate opportunity for the trade show that is tentatively scheduled in November 2014. I apologize for the late notice in making this critical change. I truly appreciate the honesty from those who provided the feedback.

Communicating Core Values – Make-A-Wish® Kansas

Ashley Scheideman
Chief Executive Officer

Firm joined in 2013

When asked the question....

How do you or other leaders in your organization communicate your Firm's Core Values?

Mrs. Scheideman responded:

Make-A-Wish® Kansas has five core values, and we strive to recruit employees and volunteers who understand and believe in our mission and values. Our best work is performed with our values at the forefront of our thinking. We are in business to grant wishes, and while we must raise money to operate and follow policies in the process, our sole purpose is to bring hope, strength and joy to hundreds of children, families, volunteers, donors, and communities around the state.

Make-A-Wish® Core Values

Integrity – We approach every aspect of our work with unwavering standards of honesty, transparency and respect for wish recipients, their families and Foundation supporters.

Child Focus – Our business practices always put the interests of wish children first.

Excellence – We aspire to best-in-class business practices, and we embrace the challenge to exceed expectations at every opportunity.

Community – We foster a collaborative community of staff, volunteers and donors with the collective ability to make the broadest possible range of wishes come true.

Inspiration – We are inspired by the examples of our wish kids and the actions of the entire Make-A-Wish® community to approach our mission with life-affirming enthusiasm, imagination and creativity. As a result, we fill each wish experience and every interaction with hope, strength and joy.

Wishes make life better for kids with life-threatening medical conditions. We believe that a wish experience can be a game-changer. This belief guides us. It inspires us to grant wishes that change the lives of the kids we serve.

About Ashley Scheideman

Ashley Scheideman began her career with Make-A-Wish® Kansas in 2005 as the Director of Program Services. In 2010 Scheideman was appointed Interim Executive Director, and ultimately Chief Executive Officer. She has overseen the granting of over 540 wishes to deserving Kansas children, and believes that a wish is an integral part of a child's medical treatment program. Scheideman completed her undergraduate work in Political Science/History at Friends University, received a Master of Arts in Public & American History from Wichita State University, and an MBA from Friends University.

About Make-A-Wish® Kansas

The mission of Make-A-Wish is to grant the wishes of children with life-threatening medical conditions to enrich the human experience with hope, strength and joy. The Kansas chapter accepts referrals and grants wishes for children in every Kansas county except Franklin, Johnson, Leavenworth, Linn, Miami and Wyandotte. For more information about Make-A-Wish® Kansas visit www.kansas.wish.org.

Greetings from the committees for our two Scholarships and Reading Rally! It is exciting to see that spring is on its way – so too, is the work for our Scholarship and Reading Rally programs.

Scholarship letters have gone out to all to all the schools and women’s organizations that support adults who may need or want to return to school. Lisa Capps, chair of the ASIST Scholarship committee has judges lined up and is excited about obtaining applications. The EWISP Scholarship funded by EWI is for those who will soon be graduating from high school. Marcy Ray, committee chair, has received a few applicants and will be making calls to obtain judges who will interview applicants and score them. Committee members, Sharon Thomas, Mona Kepley, Barb McCurdy, Joan Wamsley, Holly Bellora, Pam Fullinwider, Lisa Capps and Marcy Ray are making reminder follow-up phone calls to schools and institutions.

Please let others know about these important opportunities for scholarships and encourage them to apply. Direct them to the EWI Wichita website for the applications:

I will have EWI Wichita T-Shirt samples and a sign-up sheet at the April meeting. Please note that I will be placing orders directly following the meeting.

The Dollars for Scholars Accessories Night is hosted on Wednesday, April 16th and will include a silent auction at the Wichita Marriott in our new Corporate Hills Ballroom! This event will be a casual, informational evening with heavy hors d'oeuvres and beer & wine samples. A representative with Standard Beverage will be here to answer any questions on the Beer & Wine Tasting Program. We will learn about the status of the industry, trending, women as a demographic regarding purchasing decisions, and extraordinary female winemakers! My committee and I are collecting silent auction accessories. If you would like to drop off your items, Kim Weprin, Karen Smith, Jenny Stephens, Barbara Lisenby and Jessica Emrick are collecting them. If you have a gently used item or are out and about, think about donating an evening bag, necklace, earrings, ring, scarf, purse, necklace, belt or hat. Some fun themes are: Denim and Diamonds, All Silver Bling, Collegiate: K-State, KU or WSU, Crosses, Black & White, or Holiday Themes. Be sure to also play the Message in a Bottle game. Grand Prizes include a WSU Skybox for 10 with baseball, food & beverages, a round of golf for 4 at Crestview Country Club including carts, and you may also win a bottle of wine, gas cards, gift cards, movie passes, etc. Thank you in advance to everyone who will help to make this event a success!

Debbie Pfingsten – Communications Director

The entire Communications team continues to focus on getting our EWI message out as well as keeping the membership up to speed on current happenings within the Wichita chapter. Professional Development has

been our biggest motivator recently as we prepare for the upcoming MK Mueller event in May. What a great opportunity we have to begin introducing EWI to the local business community and show them how passionate we are about this organization. Take a look at the new pages on our website and let us know if there is anything you would like us to know about your firm, current firm events or accolades of any kind that you feel like shouting out about. We have several platforms to recognize accomplishments and we want you to be heard. I want to give a heartfelt thanks to my team. They work so hard to make our ideas a reality and they do an awesome job for the chapter. We hope everyone can make it to the April 16th Fundraising Event at Corporate Hills Marriott – see you there!
