WICHITA EDITION

Chartered 1970

February 2014

## *A Message from the President*

Here we are in February...the short but sweet month. The EWI schedule is filling up with exciting opportunities for us to advance our CAREERS, COMMUNITY, and CONNECTIONS.

January began the EWI Wichita Wine & Web Tradition. As part of our commitment to Professional Development, we hope to offer webinars on diverse subjects to prove our commitment to life-long learning. Thanks to all who are working diligently to establish and grow this program that is vitally important to the continued success of EWI. Look for another great webinar opportunity coming up soon!

We are particularly looking forward to the May 21, 2014 MK Mueller workshop to be hosted by EWI Wichita chapter. While several chapters throughout the country have utilized the seminar/workshop model as a fundraiser, it has not been done successfully by EWI Wichita. We hope that we can begin to use this as our fundraising event to take some pressure off of our member firms, and raise the level of professional engagement available to us as a chapter. We will be calling on all representatives to assist in making this 6-hour workshop a success. Please watch your emails from me and from your director as that day approaches.

We look forward to February 19<sup>th</sup> and firm night at Case New Holland. What a great opportunity to visit such a well-established global manufacturer! Make your reservations to attend and be a part of this exciting event. For those of us office types, be sure to grab some comfortable shoes to help enjoy the tours available to us that evening.

Are you LinkedIn - or are you like me, kinda – sorta, I think so? March will give you the opportunity to get the details and learn from those who use this communication and networking tool to further their exposure to other professionals. March's evening event (remember March is Fundraising month) will be hosted by Tracy Lucas and her High Touch team of professional communicators. Watch for details as the evening approaches.

Once again, thanks to all members of EWI Wichita that makes this a dynamic and exciting organization in our community. It is truly inspiring to be a part of such a great group of community leaders.

## Executive Corner

## Continuing Leadership Development - Center for Health &amp; Wellness

**Teresa Lovelady |  
President/CEO**

### Firm joined in 2007

**When asked the question.... “What are you doing to ensure you continue to grow and develop as a leader?” Ms. Lovelady responded:**

*“The best way to find yourself is to lose yourself in the service of others”* is a famous quote by Mahatma Gandhi that represents the essence of leadership. Leadership equates to service. Service is at the core of successful leadership. It is imperative that a leader sees themselves as a role model that is directly involved with those that are being lead. A great leader is able to connect, inspire, motivate and *dig trenches* with those that are following them. Service and leadership are intrinsically dependent on the other.

I consider myself a leader that is a member of the team. Not the most important member, but the one that will step forward when needed on behalf of the team. My leadership style is collaborative yet empowering. It is important to me that those being lead feel engaged. Public health leadership is important because public health leaders are advocates for those in the community that are disadvantaged and at-risk of health disparities impacting their quality of life. There are issues involving political, socioeconomic, educational, cultural, religious, etc. that impact the overall health of the community and it is imperative that leaders are specifically trained to advocate on behalf of its citizens.

In addition to serving those that I have the honor to lead, each year funds are designated for staff development and every employee has the opportunity to attend personal development trainings. I participate each year in leadership focused initiatives such as peer coaching/mentoring, leadership conferences/workshops, reading books about current issues in leadership, etc. Currently, I am participating in the Kansas Leadership Center’s Visioneering Health Alliance through the Kansas Health Foundation and the Sunflower Foundation’s Advocacy Fellowship Program. Both programs are allowing me to reflect on my personal growth as a leader.

Public health leaders are performing a service to the overall community. They are providing a life-altering service to others – advocacy, education, protection, and empowerment. *“The future depends on what we do today”* is another famous quote by Mahatma Gandhi. The future of the health of mankind depends on the training and expertise of today’s public health leaders.

### About Teresa Lovelady:

Previously, Ms. Lovelady served as the Vice President of Prevention and Advocacy at the Mental Health Association of South Central Kansas. Teresa has served on many taskforces, coalitions and committees including National Mental Health America, Visioneering Wichita, African-American Coalition, the Boys and Girls Club of South Central Kansas, WSU, Wichita Public Schools (several site councils and PTO’s), SRS’ statewide review of disparities in the child welfare system, and COMCARE in addressing needs of disadvantaged persons, particularly children. Teresa has demonstrated leadership and excellence by being a team player willing to negotiate and mediate for “win/win” situations and serving as a positive role model within the community. Ms. Lovelady holds a Master of Social Work & Master Business Administration from Newman University.

Looking into March we will have a Professional Development opportunity at High Touch on LinkedIn – focusing on how to utilize it both personally and professionally for best results.

Looking ahead into May we will be venturing into new territory with bringing in a Nationally known speaker and work on promoting outside of our Firms to help raise funds for our scholarships. This is an adventure that will only be successful with each and every one of us participating and help promote the event. More information to follow soon!

### Pat Campbell – Director-At-Large (Foundation)

The scholarships committee members will be able to send letters and applications to each of the city and surrounding area high schools very soon. We are excited about the potential participation and are hoping for a good pool of scholarship candidates.

## From Your EWI Wichita Board of Directors (cont.)

### Debbie Pfingsten – Communications Director

The Communications team met at Meritrust offices on January 31<sup>st</sup> to share information and ideas on how we can best utilize the tools we have such as the new website, social media, print media, etc.

Much of our discussion was focused on the upcoming Professional Development seminar EWI will host in May and there is much work to do, for sure, but we are so excited about the prospect of hosting our first event of this nature featuring M.K. Mueller! We have an awesome opportunity to show local business professionals more about our focus on **Connections / Careers / Community**. It will be a pleasure to work with the entire chapter in making this event a successful one for our partners in the business community.

Joan Rapp and I are also busy working on the guidelines for social media in hopes that we can submit them to be included in the standing rules for the chapter. This will be important going forward to have guidelines and tools to pass on to the next generation of social media communicators!

Keep an eye on the website as Marcia Miller has many things happening with the calendar, as well as a special events section that will be developed soon. Thanks for all your hard work Marcia – we have an awesome website.

As always, the newsletter has been a great source of information to the chapter and Denise Wickham was successful in getting the inaugural edition of the Executive Newsletter out to the reps for the official “handoff” to their Executives.

I’m so proud of the work our group is doing for the chapter and I appreciate all the information and ideas we get from all of you.

### Jessica Emrick – Fund Raising Director

My committee and I will host the EWI Foundation fundraisers in March and April! All members will be billed for the March meeting and those funds will benefit the EWI of Wichita Operating Budget.

**Dollars for Scholars Accessories Night** has been moved up to April, complete with an informative Wine and Beer Tasting by Karl Larkin of Standard Beverage. We are accepting gently used or new accessories. We will also need small prizes (gift cards, tickets to games, etc) and Grand Prizes for a Message in a Bottle Game. One Grand Prize will be a WSU Baseball Skybox Game with 10 tickets and baseball food and drinks for 10, graciously donated by Dr. Bardo and WSU. We will also have a virtual table that will be tax deductible that members and their guests can donate to for Scholarship Support of a Scholarship Recipient prior to or on the night of the April fundraising event.

**Tickets will be sold and the 1<sup>st</sup> Quarter winner will be announced at the February, 2014-meeting. It’s not too late to GET YOUR “60/40 TAKE A CHANCE” TICKETS TO SELL TO FAMILY, COWORKERS AND FRIENDS, benefitting EWI of Wichita Operating Budget. The EWI member that sells the most tickets each month will receive a fabulous prize!**

A portion of the proceeds from May’s Breakfast Meeting will also benefit Fundraising!

The Fundraising Committee is very excited about these new Fundraising activities and hopes all of you will Participate! Please don’t hesitate to ask if you have any questions.
