JANUARY 2016

# Letter from President

Dianne Luckett 2015-2016 Corporate President Irby Electrical Distributor

Our largest renewal month, as many of you know, is at the end of the calendar year in December. Our Corporate Office staff, in spite of MemberPoint "glitches" with the software, has done a wonderful job assisting our Chapters with their renewals. We accept full responsibility for any EWI functions that should be handled in a timely and professional manner. However, when occurrences happen that we have no control over, we do the best we can to resolve the issues. The good news is that the renewals are coming in and I hope to have a full report for you in the coming weeks. I'm sending more and more "Welcome Letters" to new member firm representatives across the US and Canada. Now, THAT's exciting.

We are working on a resolution that will hopefully help this and many of our past and current frustrations with MemberPoint disappear. Please allow me the opportunity to report on this in our February CONNECT as I would rather "under promise and over deliver".....than vice versa. But we do have an amazing opportunity to have a much more user friendly database platform AND save \$\$\$! Stay tuned, more on that as we confirm these opportunities.

# MEMBER ADVISOR PROGRAM

Our Member Advisor Program, chaired by Carolyn Feltus, EWI of Mobile, is off to a wonderful "re-start". Carolyn facilitated the January webinar and it was very well received. The Corporate Board is committed to continuing this program to assist our chapters in whatever way possible. Please respond to the MA representatives that may contact you for information that will assist us in ensuring the most up to date data for all of our chapters and assist you in retaining and growing our membership. If your chapter would prefer to not utilize the MA Advisors, that's fine, but please let either me or Carolyn know, so that we can respect your request.

# **BOARD ADVISORS UPDATE**

I want to take this opportunity to thank each EWI Board Member for their commitment to this organization and let you know what they've been up to. I must

## CORPORATE OFFICE UPDATE

Another huge "Thank You" to our Corporate Office Staff. Both Kristine and Kristen continue to work diligently to ensure the best possible customer service that we can provide for each of you. If you send an email to either of them and they are unable to answer immediately, you may receive an auto reply to let you know your email has been received and that they will respond as soon as possible. In the world of cyberspace and in spite of all our technology, occasionally emails can get lost or even sent to a spam file.

It's right up our alley! I hope as many of you as can, will join me on the webinar to help us turn our "Woe to Wow"! *Register today*!

# LCAM 2016 UPDATE

The 2016 LCAM Committee is working diligently with the Spokane Chapter to ensure that you will experience one of the most exciting annual meetings that we have had in years. (And they've all been amazing!) We realize the challenge of the expense of attending the annual meeting and the travel constraints, but I can assure you that this will be well worth your commitment. Every effort is being made to reduce expenses and still provide each of you with the professional development you expect and deserve. As part of that, I am excited to share that we have an extra

## **GREAT NEWS FROM VIRGINIA**

Ready for some awesome news? I just received news that the Virginia Credit Union, a member firm of EWI of Richmond has just installed their 4th representative! How exciting! President Toni Bastian said, "The Virginia Credit Union has been a faithful firm with EWI of Richmond for more than 20 years." The President and CEO of the Virginia Credit Union, Jane Watkins, actually shared in the installation of their newest and 4th representative, Jennifer Parrish. Jane said "EWI has been an important part of Virginia Credit Union's leadership development for many years." Two of the VACU representatives have served as Richmond Chapter presidents. If your chapter has installed 4th reps for any of your firms, please let me know. This is the kind of news I LOVE to share with you. PROGRESS!

# THANK YOU & HAPPY NEW YEAR

The Corporate Board and Office thank you for your continuing support and look forward to our successes in 2016. We're excited and optimistic about the journey ahead of us throughout this New Year and the new opportunities it will bring. Happy New Year!
